Extra Info: Our system rounds the number of coins produced to the thousand. There were only 1,758 of these issued. The 1794 Flowing Hair Dollar was the first dollar coin ever issued by the United States government. Previous attempts had been made by the states, but the 1794 silver dollar was the first dollar coin to be standardized. This coin is a very important piece of American

History, and with just 1758 of them minted they are very rare. Make sure this coin is certified.
