Value: As a rough estimate of this coins value you can assume this coin in average condition will be valued at somewhere around \$20, while one in mint state (MS) condition could bring \$1,654 at auction if certified. This price does not reference any standard coin grading scale. So when we say average, we mean worn as would be expected from a coin in this age, and mint state meaning MS+ grade and certified*.

Extra Info: Look for the mint mark on the reverse near the bottom middle of the wreath. If this coin has a O its worth much more than the non O version. How much more? If in perfect condition its worth 2x as much.
