Value: As a rough estimate of this coins value you can assume this coin in average condition will be valued at somewhere around \$270, while one in mint state (MS) condition could bring \$6,000 at auction if certified. This price does not reference any standard coin grading scale. So when we say average, we mean worn as would be expected from a coin in this age, and mint state meaning MS+ grade and certified*.

Extra Info: 1847 Liberty Seated Dollars were also minted in New Orleans and those are worth about 40% more in high mint states. Early Die State (when die was not so worn out) versions of the coin shown above are also worth much more.
