Value: As a rough estimate of this coins value you can assume this coin in average condition will be valued at somewhere around \$125, while one in mint state (MS) condition could bring \$1,600 at auction if certified. This price does not reference any standard coin grading scale. So when we say average, we mean worn as would be expected from a coin in this age, and mint state meaning MS+ grade and certified*.

Extra Info: 1921 was the first year that the Silver Peace dollar was minted. These coins are rare. With just over 1 million minted, and the fact that this is the first year they were issued, these coins are rare and important pieces of coin history. The Morgan Dollar was also issued in 1921 so there is an overlap.
