

Type: [Walking Liberty Half Dollar](#)

Year: [1921](#)

Mint Mark: S

Value: As a rough estimate of this coins value you can assume this coin in average condition will be valued at somewhere around \$65, while one in mint state (MS) condition could bring \$105,000 at auction if certified. This price does not reference any standard coin grading scale. So when we say average, we mean worn as would be expected from a coin in this age, and mint state meaning MS+ grade and certified*.

Face Value: 0.50 USD

Total Produced: 548,000 **

Silver Content: 90%

Extra Info: A total of 1 million Walking Liberties were issued this year, but the San Francisco mint issued nearly 50% of them. Despite this fact having just one of the 548 thousand halves in great condition can fetch over \$20,000 if sold to an eager collector.
