Extra Info: The 2009 P Zachary Taylor \$1 coin is from the Presidential Dollars series so popular in recent years. Around 55% of all the 2009 Zachary Taylor coins were issued here at the Philadelphia mint. Looking for errors in this series? Look for missing lettering on the edge error. The missing lettering error is going for between \$30 and \$600 depending upon the condition

and whether or not it is certified. We have also seen weak strikes and double stars listings but not any certified by NGC or PCGS.
