

Type: [Capped Bust Half Dollar](#)

Year: [1824](#)

Mint Mark: No mint mark

Value: As a rough estimate of this coins value you can assume this coin in average condition will be valued at somewhere around \$50.00, while one in mint state (MS) condition could bring \$4,300 at auction if certified. This price does not reference any standard coin grading scale. So when we say average, we mean worn as would be expected from a coin in this age, and mint state meaning MS+ grade and certified*.

Extra Info: 1824 is another one of those silly years in which the mint made several variations of the Capped Bust Half Dollar. Main variations include the standard 1824 and the 4 over the 1. The 4 over the one tends to be the more valuable of the 2, all other things equal.
